

# Potluck Guidelines for Congregants

Please bring your food item prepared and ready to serve.

Plan to arrive around 10:15

in observance of the 10:30 start of service.

- Place donations that do not require heat or refrigeration on tables in the Olympia Brown Room following the table signs. Add a Potluck tag.
- Give items which do to a kitchen volunteer (who is wearing a maroon apron) with your directions & a completed Potluck tag.
- If your donation requires preparation, you can use the utility table or prep sink in the kitchen to get it ready.
- Please bring needed condiments, salad dressings, butter, mayonnaise, mustard, or cream cheese with your item.
- Be prepared to lend a hand to our volunteers if you are still around after 12:30. We always appreciate help with lifting full dish sanitizer trays.
- Afterwards, plan to take your leftovers home. We will try to provide lidded food containers for you. We don't store left-overs for sanitary and safety reasons. Left overs usually sit unused and spoil.
- Tags like the one below will be available in the kitchen and on buffet tables for you to label your homemade food donations. Feel free to print and use this one.
