Service Animal Information

ADA defines Service Animals as “a dog that is individually trained to do work or perform tasks for a person with a disability.” The work or tasks that a Service Animal performs must be directly related to their owner’s disability. Your dog must meet the definition of a Service Animal as defined by that ADA to be considered for access (As of 2011, ADA definition only includes dogs)

Dog’s Name: _____ **Age:** _____

Required: Vaccination Records Rabies Certificate (please attach)

Describe your dog’s specific training for work and tasks to assist you:

I understand that this access can be reconsidered or revoked at any time at the request of the Board of Directors because of a reason expressed or anonymous complaint.

I verify that this Service Animal is required by a disability and that I have read and will comply with the UU Erie Service/Support Animal Policy.
